MEMORY OF THE FUTURE offers you trainings and workshops to promote diversities in the workplace. We will accompany you by promoting individual and collective creative and productive abilities of your teams and employees.

MÉMOIRE DE L'AVENIR
 ذاكرة المستقبل
 MEMORY OF THE FUTURE
 זיכרון העתיד

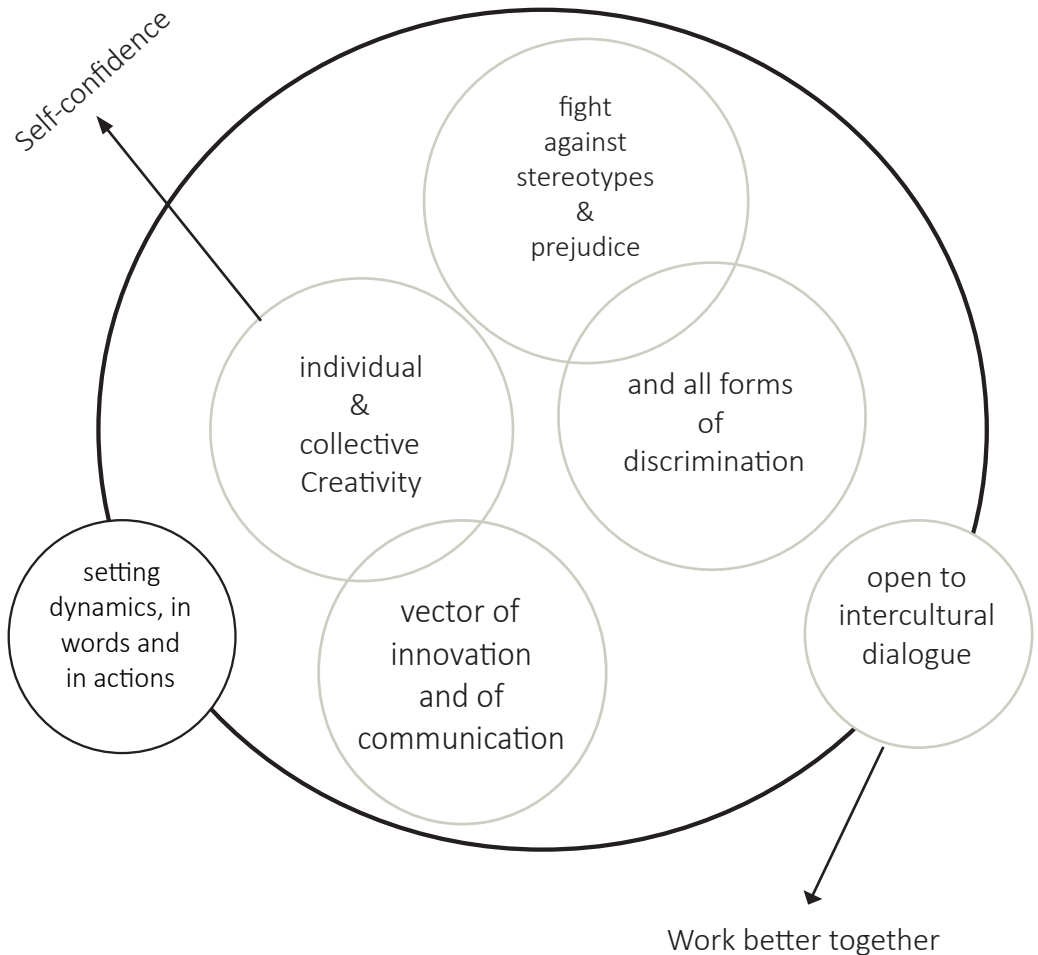

DIVERSITIES : A REAL TOPIC - A TRUE RICHNESS

A firm is often faced with complex situations related to inter-personal relationships (gender, equality ...) inter-cultural and interdisciplinary.

The plurality of individuals, cultures or skills are a business factor of success , allowing an enrichment of both, individuals and collective.

TOOLS AND SENSES

Facing rapid transformations of a society open to the world- Glocalisation.
Make individual and cultural characteristics a strength for your company.

BUILDING ANSWERS TOGETHER

Valuing diversity of individuals while master its interaction with the corporate culture

Foster the ability to communicate in a network [local and international]

Know the rules, adapt to develop new potentials

MEMORY OF THE FUTURE PROPOSE TO YOU

- > A diagnostic and a review of your management needs in terms of diversities
- > Creative projects in collaboration with professional multidisciplinary artists working on team cohesion within the entreprise.
- > Training to promote expressions and creativity of your staff and collaborators
- > Thematic journey in museums and cultural places-guided by trained actors and specialists in art, to evoke cultures,mémories, social and societal issues otherwise.
- > To value the work done by your workforces together with contemporary and artists, through permanent or temporary installations within your space company, and / or during event with our international cultural projects

ABOUT US

Memory of the Future is an artistic platform bringing together researchers and international artists from all disciplines. It creates tools that allow to fight against all forms of stereotypes and prejudices by the means of dialogue and artistic practice.
